RE: Concealed Carry Deadly Weapon Reciprocity

Dear Mr. Wasden:

The Department of Kentucky State Police acknowledges receipt of your correspondence dated July 1, 2014. KRS 237.110(20)(a) provides that:

"A person who is not a resident of Kentucky and who has a valid license issued by another state of the United States to carry a concealed deadly weapon in that state may, subject to provisions of Kentucky law, carry a concealed deadly weapon in Kentucky, and his or her license shall be considered as valid in Kentucky."

Therefore, please be advised that the Commonwealth of Kentucky hereby affirms its continued intent to maintain concealed carry deadly weapon (CCDW) reciprocity with the State of Idaho.

Please be further advised that the Commonwealth of Kentucky does not issue concealed carry deadly weapon licenses to non-residents. However, members of the armed forces can qualify for licenses under Kentucky law if such person at the time of application is assigned to a military posting in Kentucky. See KRS 237.110(4)(b). If you require any further information please contact the undersigned at 502-782-9793.

Sincerely,

Dana Peacock
